

NCS INTERNATIONAL IS LOOKING FOR A

**SAFETY AUDITOR
BASED IN BRISBANE**

Interested in a career move? NCS International is one of Australia's largest and most experienced third-party certification bodies with a strong national footprint and expanding international operations.

We are seeking a Safety Auditor to join our team of professional auditors based in Brisbane. This position offers flexibility, variety and the opportunity to work with some of Australia's leading organisations.

The key focus will be on safety management systems although you may also assist in other disciplines including safety. There will be a need for travel to regional and interstate sites to conduct audits.

You will be:

- A safety professional with a minimum of 5 years supervisory or management level;
- Experience in the commercial and/or heavy construction materials industries;
- Have a detailed working knowledge of AS/NZS 4801 and OHSAS 18001 would be well regarded;
- Have qualifications in OH&S;
- A practical understanding of the implementation and maintenance of management systems;
- Have a strong customer focus and can work independently;
- Hold a current Australian drivers licence and be prepared to travel.

The remuneration package includes a base salary and superannuation. Employees are entitled to participate in the company bonus scheme.

NCSI assessors work closely with a wide variety of clients from small industry to icon Australian businesses. This is your opportunity to make a difference.
