

NCS INTERNATIONAL IS LOOKING FOR A

SAFETY / ENVIRONMENTAL AUDITOR BASED IN

MELBOURNE

Interested in a career move? NCS International is one of Australia's largest and most experienced third-party certification bodies with a strong national footprint and expanding international operations.

We are seeking an Occupational Health and Safety and Environmental Auditor to join our team of professional auditors based in Melbourne. This position offers flexibility, variety and the opportunity to work with some of Australia's leading organisations.

The key requirement will be OH&S and Environment although you may also assist in other disciplines including quality management dependent on your professional experience. There will be a need to travel to regional and possibly interstate sites to conduct audits.

You will be:

- A safety professional with a minimum of 5 years industry experience at supervisory or management level;
- Have formal qualifications or training in OH&S;
- Have a working knowledge of AS/NZS 4801 or ISO14001; knowledge of SafetyMap and OHSAS18001 would be well regarded;
- A practical understanding of the implementation and maintenance of management systems;
- Have a strong customer focus and can work independently;
- Hold a current Australian drivers licence and be prepared to travel.

The remuneration package includes a base salary, superannuation and a car allowance. Employees are entitled to participate in the company bonus scheme.

An NCSI assessor is able to work with a wide variety of clients from very small to icon Australian businesses. This is your opportunity to make a difference.
